Sir:

INFORMATION DISCLOSURE STATEMENT

The Examiner is respectfully requested to consider the documents, which are listed on the attached form PTO 1449.

The applicant wishes to bring to the attention of the Examiner two Internet postings.

The first, from the London Evening Standard, dated July 25, 2003, shows a golfer with a golf club pressed against his armpit. However, this reference failed to disclose the position of the user's arms. For example, it is unclear whether the user's forward arm is to be substantially fully extended and parallel to the club, or whether the arm is to be bent at the elbow. Because of this ambiguity, this reference should not anticipate the present invention.

Applicant recently discovered the second Internet posting, from the "Rock Steady" homepage, which shows a golfer with a golf club pressed against his armpit with his hands on the club. However, this website shows no date of publication. Consequently, according to the MPEP §2128, this document cannot be relief upon as prior art.

Copies of the non U.S. Patents listed on the attached form are enclosed herewith.

Also enclosed is a check in the amount of \$180.00 in payment of the fee pursuant to 37 C.F.R. §1.17(p).

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on March 2, 2006
